PROJECT: **NEW TWO STOREY RESIDENTIAL BUILDING:
CANNINGTON AFFORDABLE HOUSING FOR SENIORS
100 McKay Street, Cannington, Ontario**

PROJECT NO: **16-16**

SUBJECT: **ADDENDUM NO: 10**

DATE: **August 20, 2018**

This Addendum forms part of the Contract Documents and Drawings for the above noted project. Bidders shall acknowledge receipt of this addendum on the Tender Form; failure to do so shall subject the bidder to disqualification.

The following clarifications and additional information have been added to the Tender Documents.

Drawing A21 – Room Finish Schedule has been amended to reflect the West Corridor 241, as noted and annotated on the attached plan. This information is also noted on the Drawings A19 and A19.1 provided in the tender documents regarding corridor finishes and tile patterns.

Millwork Drawings A20 & A20.1 – These drawings have been re-issued with additional information and clarifications as annotated:

1. The follow specific finishes are selected:
 - Plastic laminate on exterior faces to be "Frosty White", matte finish by Wilsonart,
 - Quartz countertops with backsplash to be Caesarstone Classico 3040 'Cement'.
2. Cabinet locks shall be provided on all Common Room cabinets.
3. All typical storage room shelves in suites are wire shelving.
4. Wood casing for doors typical within Suites.
5. Clarification: The shelf noted within Barrier-Free washrooms is a stainless steel shelf as noted under Section 10 28 13 – Washroom Accessories.
6. Sinks within Unisex Washrooms 150 & 151 are wall mounted.

Floor Plan Drawing A14 – Clarification : This drawing has been re-issued with the millwork cabinet in Activity Room 240 as it was denoted on Detail 3/A20.1.
